

esn

International Conference on Theoretical, Applied and Engineering
Sciences 2024 (ICTAES2024), December 20-21, 2024.
Amsterdam, The Netherlands

Call for papers

We would like to invite all academicians, scholars and researchers to submit their research papers to our conference and share their knowledge and new ideas as well as to discuss current development in their respective fields. All accepted papers will be published in conference e-proceeding (with ISBN/ISSN) and one of the ESN international refereed journals indexed in Scopus (selected journals), Google Scholar, Crossref (DOI) and J-Gate.

Topics of Interest

We invite original and high-quality submissions on the following topics, but not limited to:

Engineering & Technology:

- Applied Sciences, Mathematics, Animation, Communication
- Computer Science, Information Technology, Information Systems, Multimedia
- IR 4.0, Engineering Technology, Environmental Science, Power and Energy Engineering
- Renewable Energy, Architecture, Civil Engineering, Mechanical Engineering, Electrical Engineering, Mechatronics

Business & Management:

- Accounting, Banking, Business, Economics, Entrepreneurship, Finance
- Management, Marketing, Supply Chain, Logistics, Transportation
- Tourism, Hospitality, Health Care, Human Resource, Government, Administration, Management, Law

Social Sciences:

- Arts, Behavioral Sciences, Culture, History, Islamic Studies, Language
- Counseling, Humanities, Organizational Behavior, Philosophy, Psychology, Politics

Education:

- Teaching and Learning, e-Learning, Pedagogy, Interdisciplinary Studies
- Religious Studies, Lifelong Learning, Blended Learning, Special Education

Join us at ICTASE 2023 and be a part of shaping the future of theoretical and applied sciences and engineering!
